

Mobile activities

Activities performed inside or by means of a vehicle

Private initiative activities

Private initiative activities performed in different territorial places or while traveling

Nomadic activities

Non-productive private initiative activities
E.g.: mobile home, tailgating, leisure

Nomadic production

Productive traveling activities
E.g.: traveling factories, productive tasks performed while traveling by means of a portable technology, etc.

Service activities (goods distribution or service supply)

Activities resulting from the interaction between a supplier and a demander

Traveling services

Services combined with transportation and provided while travelling
E.g.: catering or film services in airplane or train

Itinerant services

Services provided in different territorial locations at the initiative of a supplier, without prior ordering by any demander
E.g.: street vendors, food trucks, social patrols

On-demand services

Services provided in different territorial locations, ordered by the demander from the supplier (in advance or on the spot)
E.g.: mobile hair salon, on-demand pedicure or yoga sessions
